Student Exploration Seasons In 3d Answer Key

Students can explore seasonal changes in gorgeous detail with the Seasons in 3D Gizmo. The left side of the Gizmo presents overhead and side views of Earth as it orbits the Sun. This helps students see how the axis angle relates to which parts of Earth receive the most sunlight at different times of the year. On the right side, students can view the Sun's path across the sky, graphs of solar intensity and day length, and a view of shadows cast by a vertical gnomon.
