## **Enlightenment: A Beginner's Guide (Beginner's Guides ...**

The Enlightenment was a period of profound optimism, a sense that with science and reason—and the consequent shedding of old superstitions—human beings and human society would improve. You can probably tell already that the Enlightenment was anti-clerical; it was, for the most part, opposed to traditional Catholicism.

## **The Age of Enlightenment, an introduction - Smarthistory**

The Enlightenment period of history of course is the immediate antecedent to the advanced civilisation of the West that we know today. Its antecedents in turn were of course the Renaissance, the transfer back to the West of ancient Greek philosophy and science by the Arabs following the dark ages and following on, as a result of this Arabic transference, our knowledge of the thinking of the ancient Greeks.

## Where To Download The Enlightenment A Beginners Guide Beginners Guides

History of Europe - History of Europe - The Enlightenment: The Enlightenment was both a movement and a state of mind. The term represents a phase in the intellectual history of Europe, but it also serves to define programs of reform in which influential literati, inspired by a common faith in the possibility of a better world, outlined specific targets for criticism and proposals for action.
